

CAMPFIRES & SCIENCE

Love **camping**?

Love **science**?

Get involved!

Campfires and Science' is a new and growing community of people who head outdoors, light a campfire, and share knowledge. We lead regular free events in the wilderness to support scientific research and provide hands-on learning about how to do research.

Next event

Date: 15th September 2018

Time: 3:30-6:30pm (free food 5pm)
